Report of the June 12, 2018 Committee on Ways and Means recommending the following be accepted.

Ordered that the Mayor be authorized to execute all necessary documents, agreements, applications and contracts of securing a PARC Grant in the amount of \$580,000.00. for the construction and design of improvements to the Lynn Commons including refurbishing the rest room, 25 decorative lights, fountain repair and installation of pavers. Further ordered that the City of Lynn shall allocate \$580,000 in Community Development Block Grant funds for Phase III of the Lynn Commons Restoration Project

A RESOLUTION TO FILE AND ACCEPT GRANTS WITH AND FROM THE COMMONWEALTH OF MASSACHUSETTS, EXECUTIVE OFFICE OF ENERGY AND ENVIRONMENTAL AFFAIRS FOR THE PARKLAND ACQUISITIONS AND RENOVATIONS FOR COMMUNITIES PROGRAM FOR IMPROVEMENTS TO THE LYNN COMMON

- Whereas: The Lynn Common is by and far a community-wide asset and the preservation and improvements to this facility are a City priority as evidenced in the most recent Open Space and Recreation Plan; and
- Whereas: The origin of Lynn Common is as old as the settlement of the City of Lynn itself, and;
- Whereas: The initial meeting of the Lynn Park Commissioners in the 1880s, contained an order of business to acknowledge the City of Lynn's ownership of Lynn Common for the passive and active recreational use of its citizenry; and
- Whereas: The Lynn Common is dedicated to park and recreation purposes under M.G.L. Chapter 45, Section 3: and
- Whereas: The Lynn Common's ultimate restoration, guided in principle by the Master Plan, will greatly enhance this facility with improved infrastructure, path systems, amenities, universal access, etc.; and
- Whereas: The main focus of the Master Plan is to enhance the available space on the Lynn Common to adequately host major events and activities. This overall cost and fiscal budget constraints prevented the city from proceeding forward with implementation as one project; and
- Whereas: The project was instead viewed as a series of phases, to be implemented over time, by priority as fiscal resources were available, with the intention of securing grant funding, when and if available, to assist in this effort: and
- Whereas: The Executive Office of Energy and Environmental Affairs (EEA) is offering reimbursable grants to cities and towns to support the preservation and restoration of urban parks through the Parkland Acquisitions and Renovations for Communities grant program (301 CMR 5.00); and
- Whereas: Phase III of the Lynn Common Restoration Project will cost a total of \$580,000 and the City has allocated \$580,000 in Community Development Block Grant funds for Phase III of the Lynn Common Restoration Project.

NOW THEREFORE, BE IT

1. That the Mayor be and is hereby authorized to file and accept grants from the Executive Office of Energy and Environmental Affairs; and
2. That the Mayor be and is hereby authorized to take such other actions as are necessary to carry out the terms, purposes, and conditions of this grant to be administered by the Office of Economic and Community Development; and
3. That this resolution shall take effect upon passage.
