3. Board vote to approve the following amendment to the rent increase policy, SAMPLE POLICY LANGUAGE Initial rents remain in effect for a one-year period. Owner requests will be considered after the initial one year lease term and once every year thereafter consistent with the lease anniversary date. In order for LHAND to process a request for a rent increase, owners must submit rent change requests, in writing, no earlier than 120 calendar days and no later than 60 days prior to the lease anniversary date. LHAND will review the request and will notify the owner of the determination in writing. If approved, the rent change will go into effect on the first of the month of the lease anniversary date.

LHAND will not approve a rent increase unless:

- The Owner requests the increase in writing within the required time frame or any LHAND approved alternative time frame;
- The Owner has complied with all obligations of the HAP Contract and has a passed inspection rating; and
- The requested rent is reasonable.

If the requested rent is not approvable after application of the reasonable rent test, the following options apply:

- LHAND will attempt to negotiate a lower, approvable rent with the landlord;
- If an approvable rent is not negotiated between the landlord and LHAND, LHAND will provide the household with notice that the lease and HAP contract will be terminated. The household will be issued a family packet to locate a new unit; or
