LYNN, MASS

MEETING NOTICE

**The City of Lynn has scheduled a Public Informational Meeting
for the Oxford Street @ Central Avenue Complete Streets Project**

**Tuesday, May 28, 2019
Meeting begins at 7:00 PM
City Hall
Room 302
3 City Hall Square, Lynn, MA**

The City of Lynn, in keeping with Mayor McGee's vision of improving our City's infrastructure, will undertake the rehabilitation of the Oxford Street, Central Avenue, and Washington Street area. The purpose of the project is to improve safety, enhance pedestrian accommodations, and update intersections and sidewalks for ADA accessibility. Having adopted a Complete Streets Policy which aims to address the needs of all users including motor vehicles, public transit, bicycles, and pedestrians, the City was successful in receiving Complete Streets funding from the Massachusetts Department of Transportation which will fund a significant portion of this project. The City invites you to this informational meeting to learn more about the project.

The City of Lynn is redesigning the Oxford Street, Central Avenue, and Washington Street area to improve safety and better accommodate vehicles, transit, and pedestrians. With a "Complete Streets" approach, the project will create more space for all users.
