

ARE YOU FACING EVICTION BECAUSE OF COVID-19?

Department of Housing and
Community Development

There are eviction protections and financial programs available to help.

If you have received a notice from your landlord saying that you need to move out, there is legal help available:

VISIT the Covid Eviction Legal Help Project at **[EvictionLegalHelp.org](https://www.evictionlegalthelp.org)** to learn how to get legal help.

CALL 2-1-1 to connect with financial assistance, legal help, and other housing resources.

Your landlord cannot remove you from your home without going to court. Only a court order can force you to move out of your home.

Until March 31, 2021, you may qualify for eviction protection under the Center for Disease Control & Prevention (CDC) national eviction order, see our [Frequently Asked Questions](#) online for more information.
