**(Lays over to April 13, 2010).**

**NEW BUSINESS:**

**Motion made by Councillor Cyr and seconded by Councillor Trahant to request the Solicitor's Office to forward a communication to the Town of Swampscott and Aggregate Industries, requesting that they be asked to share the cost of repairs to the culvert from Swampscott and Lynn for Foster's Dam. Recent rain storms have resulted in thousands of dollars of damage to private and public property in the Eastern Avenue area. The Town of Swampscott was made aware of the disrepair several times over the past four years. Councillor Trahant also asked that the Solicitor's Office invite the officials from Swampscott to view the area and see the damage caused by this ongoing water issue.**

**Motion carried.**

**Council President Phelan asked Parking Director Jay Fenton to address the Council. Council President Phelan stated that there have been a few questions as to when the vehicles are no longer towed to the abandoned car lot on Harding**

Street, how will people know where to find their cars? Mr. Fenton stated that most people will call the Police Station when their vehicle is missing. The new procedure is almost identical to the existing procedure which was approved by the Police Department, the Parking Department and the Lynn Towing Association. Presently, when a owner contacts the Police Department to report their vehicle missing, the Police Department will give them the Parking Department's number. In the future, the Police Department will give the person the number for the Lynn Towing Association. He stated it should be a smooth transition. Council President thanked Mr. Fenton for the update.

Motion made by Councillor Colucci and seconded by Councillor Crighton to adjourn.

Notice of this meeting was posted in the City Clerk's Office at least forty-eight (48) hours in advance.
