A Resolution Adopting the City of Lynn
Hazard Mitigation Plan 2016

Whereas, the City of Lynn established a Committee to prepare the City of Lynn Hazard Mitigation Plan 2016 Update, and

Whereas, the City of Lynn Hazard Mitigation Plan 2016 Update contains several potential future projects to mitigate potential impacts from natural hazards in the City of Lynn, and

Whereas, duly-noticed public meetings were held by the Planning Board on September 23, 2011 and by the Lynn City Council on February 26, 2012, and

Whereas, the City of Lynn authorizes responsible departments and/or agencies to execute their responsibilities demonstrated in the plan, and

Now, Therefore be it Resolved that the City of Lynn City Council adopts the City of Lynn Hazard Mitigation Plan 2016 Update, in accordance with MGL, C. 40, §4 or the Charter and Ordinances of the City of Lynn.

Councilor Barton attached the following Emergency Preamble:

WHEREAS, An Emergency relative to a Resolution Adopting the City of Lynn Hazard Mitigation Plan 2016.

THEREFORE BE IT VOTED BY THE LYNN CITY COUNCIL THAT THE FOREGOING CONSTITUTES AN EMERGENCY.

NEW BUSINESS:

Motion made by Councilor Cyr and seconded by Councilor Colucci to forward the following Resolution to Governor Charlie Baker.

RESOLUTION

We, the Lynn City Council, request that funding be identified by the Massachusetts Department of Transportation for the continuation of the Lynn Ferry Service.

Whereas, the Lynn Ferry completed a successful two year pilot program last fall, and has proven the viability of water transportation from Lynn to Boston for commuters from all over the North Shore; and

Whereas, water transportation offers an alternative, convenient, affordable, stress-free commuting option to a region that has been underinvested in transportation; and

Whereas, to date, state investment totals \$3.85 million and the City of Lynn, through their Economic Development and Industrial Corporation (EDIC/Lynn) has demonstrated local commitment through a \$750,000 investment; and

Whereas, all modes of transportation are subsidized; and

Whereas, the Lynn Ferry has taken drivers off our roadways and is the catalyst for change that our City and region needs, and that our residents deserve; and

Whereas, as a result of federal, state, and local investment in this site and operation which highlights the City of Lynn's waterfront and its proximity to Boston, we are already seeing economic growth and development and increasing property values in surrounding neighborhoods; therefore, be it

Resolved, that the Lynn City Council request that funding be identified by the Massachusetts Department of Transportation for the continuation of the Lynn Ferry service.

Motion carried by the following yea and nay vote:

**7 YES 0 NO (Councilors Chakoutis, Lozzi, Trahant and Walsh absent).
Motion carried.**
