- plan for a few hours per month for maintenance such as rehanging, replacing, etc.
- Tia Will Take November

Public Art Flow through for the City

- Bruce Orr of RAW is working with students on paintings on canvas using themes of architecture and landscape. Students are addressing issues of what their environment feels like currently and how to keep moving forward. Bruce would like to install them in place of a "Legacy" exhibit currently on display right now in the handicap access entrance hallway on the Johnson St. side of City Hall.
- RAW students will be taking the Legacy pieces home in November and Bruce would like us to consider replacing them with the new paintings the students are working on. If the PAC is able to assist with this, we can set up a Zoom call with Bruce.
- list someone of all of the City owned public art works/project for Lynn, if any, permanent and/or temporary?

LPS Arts Advocacy

- LCC Grant for art packages to students?
 - Can we request funding to create art supply packets, that coincide with the art classes on schoology?
 - Cole may have access to BLICK we can ask them to "sponsor" by giving a discount
