2. **Ordered** that the City of Lynn has appropriated the amount of ONE HUNDRED FIFTY THOUSAND DOLLARS AND ZERO CENTS ($150,000.00) from its Free Cash line item for the purpose of paying costs related to ~~of~~ a Feasibility Study/Schematic Design Study for a potential roof replacement on the Lynn Classical High School, located at 235 O'Callaghan Way, Lynn, Massachusetts, including the payment of all costs incidental or related thereto ("the Project"), which proposed repair project would materially extend the useful life of the school and preserve an asset that otherwise is capable of supporting the required educational program, and for which the City of Lynn has applied for a grant from the Massachusetts School Building Authority ("MSBA"), said amount to be expended under the direction the School Building Committee. Chapter 44, or pursuant to any other enabling authority, and all other necessary documents relating thereto for a possible roof replacement at the Lynn Classical High School; and that if invited to collaborate with the MSBA on a proposed repair project, the amount of borrowing authorized pursuant to this vote shall be reduced by any grant amount set forth in the Project Funding Agreement that may be executed between the City of Lynn and the Massachusetts School Building Authority; and that this vote be adopted as read.
